

Get to know Kennedy Catholic

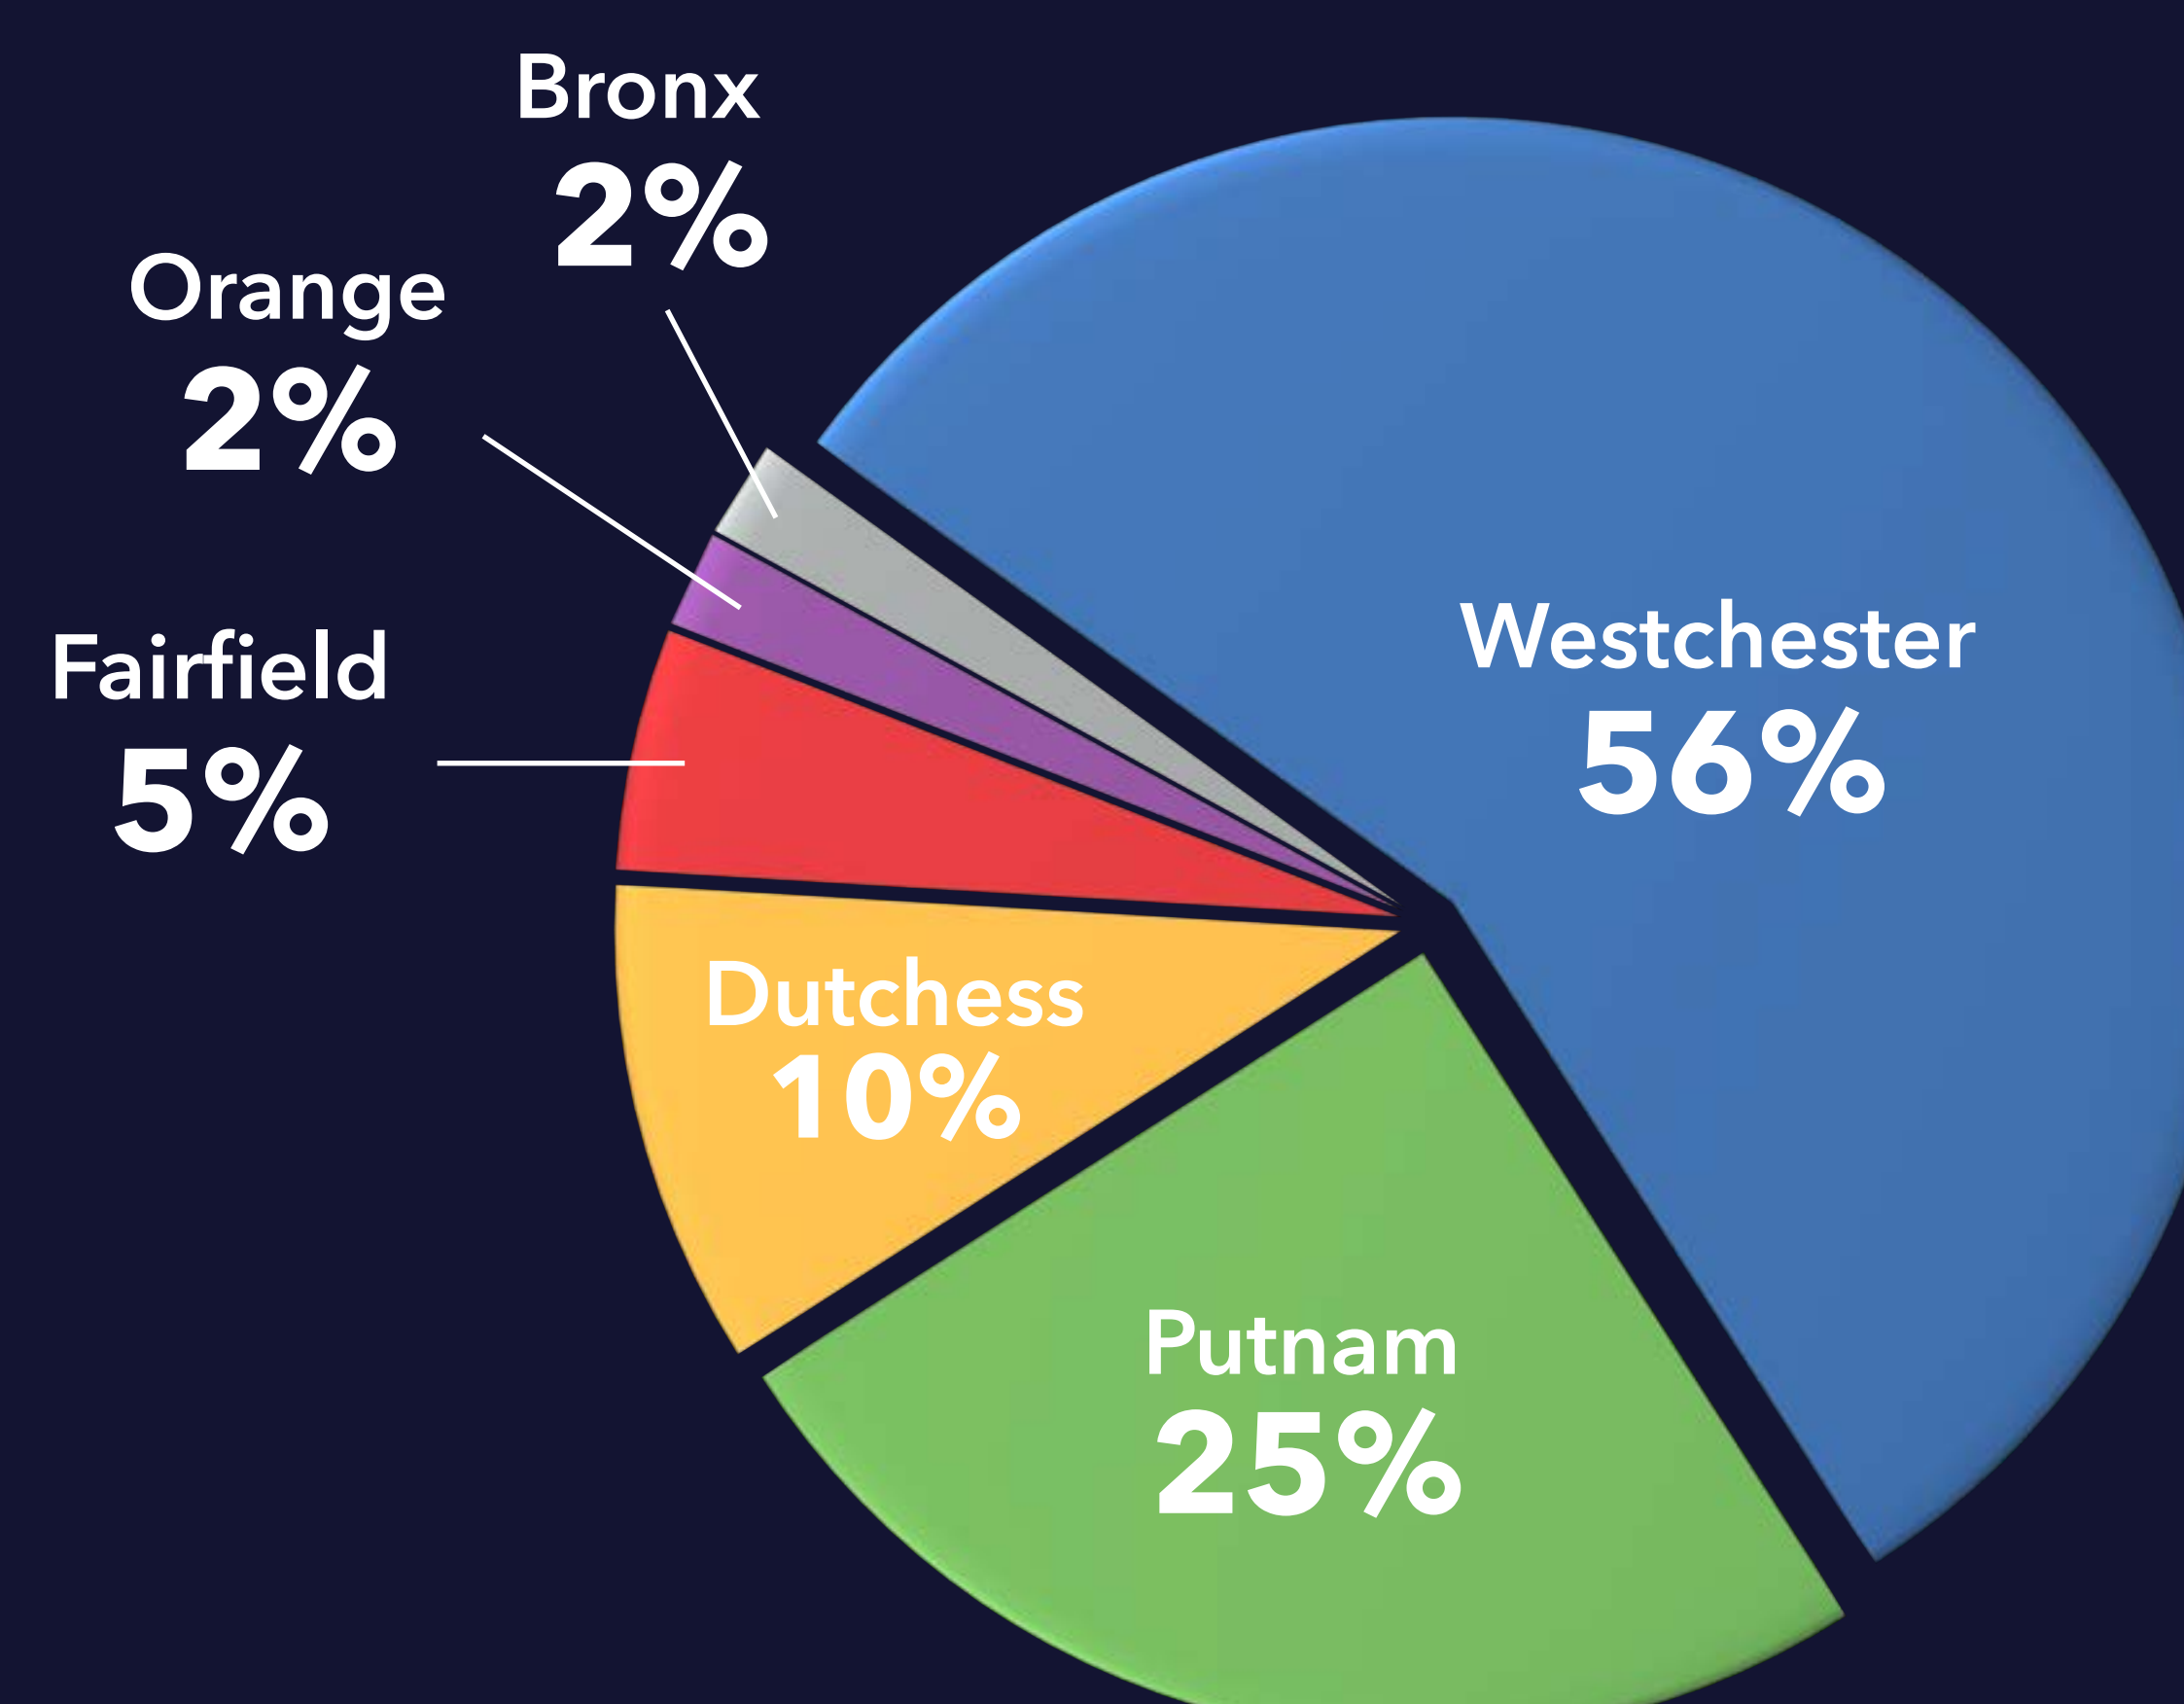

Kennedy Catholic Preparatory School (KCPS, 9-12th grades) has maintained a visible presence in Catholic education for over 50 years. St. Mary's Academy (SMA, 6-8th grades) has also opened its doors and become part of KCPS since 2022. Our school sits on a sprawling 64-acre campus in the bucolic town of Somers, NY, and stands as both a geographic and socioeconomic microcosm of the 48 New York State school districts (plus Connecticut) represented in our student population of around 580 students from Bronx, Dutchess, Orange, Putnam, Westchester, and Fairfield (CT) counties.

Founded in 1966 as the successor to St. Mary's High School in Katonah, Kennedy Catholic has continued to serve the educational needs of young men and women seeking a Christian, faith-driven academic setting in northern Westchester. As a four-year college preparatory school enriched and enlivened by its Catholic identity, Kennedy helps form and deliver well educated, compassionate, and courageous students to the world. Diocesan priests, deacons, sisters and lay men and women constitute the well-rounded faculty and staff of the Kennedy Catholic community.

We have a diverse student population that comes from all surrounding counties.

Student population and location demographics as of July 2025.
